

MOPS ANNOUNCEMENTS

THURSDAY, SEPTEMBER 18TH

Our Fall/Winter Carousel Consignment Sale is coming up on September 26th and September 27th. This is our fundraiser for MOPS and we need YOUR help.

You can help by...

- being a consigner or volunteer for the sale
- shopping for gently used, great quality items
- donating items to be sold where 100% of the proceeds goes towards MOPS
- donating shopping and grocery bags
- making food items for the volunteers (breakfast items, snacks, drinks, cookies, etc.)
- promoting the Sale to your child's school, church, neighbors, friends, family, etc.

We are also looking for anyone who has a utility trailer or flat bed truck that can be used on Wednesday, September 24th in the afternoon to pick up the clothing racks. Please contact Karen Mead if you have something we can use.

Our service project for this year is **THE KIDS FOOD BASKET**. This organization provides evening sack meals each weekday at the end of school for children who attend schools where 80% or above live at or below the poverty level. We will be helping by having an ongoing food drive to gather items they are in need of and getting a group of moms together to go onsite and assemble sack meals for the children. More information will be provided at the October 2nd meeting.

ANGELS IN WAITING TABLE SCHEDULE

October 2nd – Snow Cone

October 16th – Popcorn

November 6th – Ice Cream

November 20th - Taffy

December 4th - Licorice

To maintain a safe atmosphere for the children and due to the difficulty of finding volunteers, we have set up the Angels in Waiting system. If we do not have enough volunteers to staff any given MOPS meeting, the Angels in Waiting table moms will be called upon to volunteer in the MOPPPETS classrooms, not as teachers, just helpers. On these days, wear comfy clothes and leave the ironed shirt at home. Moms can tag-team in and out of a classroom, rotating every 20 minutes or so, depending on the number of helpers needed. Your Table Leader will help coordinate this. Remember, if you find your own replacement to volunteer on your assigned day, you can attend the meeting while your helper works for you. This is a great way to get Grandmas and Grandpas and especially Dads involved in MOPS. We appreciate your positive, 'Angel' attitude!!
